WORK EXPERIENCE

Full Stack Web Developer, *TheBoredGuys Corp.*

JULY 2023 – DEC 2024

- Designed, developed and deployed scalable, maintainable and responsive full-stack, multi-tenant web applications using React.js, TypeScript & Next.js, ensuring performance, maintainability and user satisfaction.
- Created REST API's using Nest.js & TypeScript to enhance application modularity and simplify maintenance.
- Redesign and modernized the company's old website and related app's websites, improving speed and user experience, which led to a 10% increase in customer acquisition and 30% improvement in average search engine ranking.
- Resolved bugs across front-end and back-end, resulting in 80% decrease in reported issues since joining the company.
- Implemented deployments across cloud and intranet environments, utilizing PM2 on the intranet for efficient process management, automatic restarts, load balancing, logging, and monitoring of deployment instances.
- Built reusable NPM libraries/tools to share utilities, ORM database schemas, types, and validators across multiple company's applications, streamlining development, removing code duplications and ensuring consistency.

Full Stack Web Developer Intern, *TheBoredGuys Corp.*

MARCH 2023 – MAY 2023

- Developed healthcare web app using T3 stack (TypeScript, MUI, tRPC, Prisma, Next.js and NextAuth.js), ensuring typesafety and sustainability across front-end and back-end.
- Created dynamic, reusable, scalable and maintainable react components.
- Built secure authentication flows and role-based access control with NextAuth.js and CASL, safeguarding sensitive user data and effectively managing user sessions.
- Collaborated with back-end developers to ensure seamless integration with APIs.
- Partnered with senior developers in an Agile environment, actively contributing to code reviews and sprint planning to ensure timely delivery of project milestones.

Graphic Designer Intern, *GlobalTimes Advertising*

DEC 3-14 2018

- Designed and delivered tarpaulins and posters using Adobe Photoshop, customizing designs to meet client specifications for diverse events and promotional campaigns.
- Engaged with customers to understand their specific requirements and goals.
- Resolved client concerns promptly, building trust and encouraging loyal customers through excellent services and quality products.

EDUCATION

University Of the Immaculate Conception

B.S Information Technology Specialized in Learning Technology

JULY 2019 – MAY 2023
